RECOMMENDATION LETTER

To whom it may concern,

We, Voith Hydro SRL, have the pleasure to confirm herewith that SC ELECTRO-SERVICE RB SRL Bucharest, Romania has performed under the supervision of our company the installation works at INGULA Pumped Storage Scheme SOUTH AFRICA of 333MW Units, as follows:

- *Unit 2: Francis vertical turbine and the generator installation*
- *Unit 3 & 4 – generator installation*

The related works have taken place within December 2015 – June 2016.

We consider such works to be quite complex and the specialized skilled personnel of ELECTRO-SERVICE RB have executed them with high professionalism, dedication, efficiency and seriousness.

The personnel have fully met Beneficiary's technical requirement at high standards in due time for his satisfaction without any claim.

We are kindly recommend ELECTRO-SERVICE RB for any works of erection, refurbishment, repair and overhaul for power equipment.

General manager Voith Hydro SRL

Radu Carja
