Letter of recommendation

We certify that ELECTRO-SERVICE RB Bucharest has performed for our company installation works of hydroelectric equipment (Francis and Pelton turbines, generators, inlet valves, hydraulic groups, etc) from HPP Capra(1-5), HPP Buda (1-5) and HPP Camlica (Turkey). The nominal power of the units were between 0,5 and 6,5MW.

Installation works have been complex, with high technical level and were executed and supervised by high qualified personnel.

The works have been finalized in the prescribed contractual terms, and have met the quality requirements and standards.
