

Letter of recommendation

We certify that ELECTRO-SERVICE RB Bucharest has performed for our company installation works of hydroelectric equipment (Francis and Pelton turbines, generators, inlet valves, hydraulic groups, etc) from HPP CUGIR (1-2), HPP ARAKLI (Turkey).

Installation works have been complex, with high technical level and were executed and supervised by high-qualified personnel.

The works have been finalized in the prescribed contractual terms, and have met the quality requirements and standards.
