Letter of recommendation

We certify that ELECTRO-SERVICE RB SRL has performed for our company repair and rehabilitation works for turboblowers AKV 18 MW type and turbogenerators TG CTS1 6MW from the D.P.D.E.S Department belonging to ArcelorMittal Galati - Iron and Steel Company.

Repair works involved all the equipment's subassemblies and ancillary installations (rotors, seal strips, bearings, control system, oil system, turning gear, cooling water system, condensate system, high and medium pressure steam system, electrical and automation system).

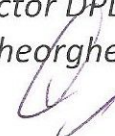

*Repair works have been complex, with high technical level and were executed and supervised by high qualified personnel.
The works have been finalized in the prescribed contractual terms, and have met the quality requirements and standards.*

RECOMANDARE

Prin prezenta certificam ca ELECTRO-SERVICE RB SRL Bucuresti a executat pentru societatea noastra lucrari de revizii si reparatii la turbinele si suflantele nr. 6 si 7 tip AKV 18MW, turboagregatele TG - CTS - 6MW, din cadrul sectiei D.P.D.E.S a combinatului siderurgic ARCELOR MITTAL Galati.

Lucrarile de reparatii au implicat toate subansamblele echipamentelor si instalatiile auxiliare (rotoare, labirinti, lagare, sistem de reglaj, circuit de ulei, viror, circuite apa de racire, circuit condens, circuit de abur de inalta si medie presiune, circuite electrice si automatizari).

Lucrarile au fost complexe, cu un inalt nivel tehnic si au fost supervizate si executate de personal cu inalta calificare. Lucrarile au fost realizate in termenele contractuale, indeplinind cerintele si standardele impuse de sistemele de asigurare a calitatii.
